LiFe SERIES

The LiFe series of Lithium Ferro Phosphate batteries are covered by a Limited Warranty

Limited Pro-Rated Warranty

- Limited Warranty against manufacturing defects in materials and workmanship.
- For a period of 10 years from the original purchase date.
- Residual capacity is subject to the guide lines out lined in the user manual.
- Limited warranty is valid at the original installation site.
- The limited warranty is activated by the return of the Warranty Registration Card.

Warranty Claims

- Email the Model number, Serial number, Purchase Invoice with date of Purchase and return address with a description of the fault and we will forward a Return Goods Authority for tracking.
- Send the faulty battery back to Powerplus Energy in the original packaging or suitable substitute packaging to protect the battery from damage in transport. The battery is the responsibility of the customer and insurance is recommended.
- Powerplus Energy Pty Ltd will repair or replace the faulty battery.
- The balance of the original warranty will apply to the repaired battery.

Limitations of the Warranty

- The warranty does not cover accidental damage, misuse, normal wear and tear or misuse.
- The warranty does not cover incorrect installation or failure to operate according ti the user instructions.
- The warranty does not cover workmanship by others, the installation or the suitability of the product for an application.
- The warranty does not cover damage to external equipment, installation, removal, shipping and reinstallation by others.

Consumer Protection

- Additional warranty rights may be available through state regulation.
